

RAKOO & FRIENDS

Rakoo & Friends for Wii U will be unveiled this summer in Cologne!

Adapted and edited on Wii U™ by Moving Player, «**Rakoo & Friends**» is currently being tested for release by Nintendo! «**Rakoo's adventure**», the hit title from the studio Old Skull Games has indeed bloomed into a multiplayer console version full of fun and surprises.

You're invited to discover a preview of this fresh and colorful party game at the Gamescom in Cologne! Alone or in party, help Rakoo and his Friends face perils and wonders! Will Rakoo finally meet his true love? His fate is in your hands.

Key points:

-  Join Rakoo in his adventures with this Full HD Wii U release
-  An original racing and adventure game filled with humor and amazing cartoon graphics
-  Up to 5 players in an exclusive multiplayer mode!
-  Over 60 levels to complete with this endearing hero you will guide with your Wii U GamePad
-  A multitude of enemies with various characteristics and epic bosses
-  Fun bonuses ranging from «Hot Spicy» that boosts the speed to «Destructive Mount», an epic mount!
-  Collect rewards and unique Miverse stamps.
-  Customize your heroes with fun objects!

Moving Player is a video-game studio specializing in the development and edition of console games who works with several independent studios to ensure the adaptation, port and publishing of their flagship console games. Since the launch of its «**Xport Games**» program, Moving Player announced and published several titles on PlayStation®, Microsoft and Nintendo platforms. Keep yourself informed of the news about Moving Player on www.movingplayer.com and join us on social networks like **Twitter**, **Facebook** or on our **YouTube** channel.

Old Skull Games is an independent development studio, created by a jolly band of pirates, coming from the video game and the animation industry. Our vision is simple: meet the demands of today's players in terms of «**look & feel**», while keeping the simplicity and strengths of yesterday's games. Don't miss our studio's news and like our Facebook page www.facebook.com/OldSkullGames or visit our website www.olds skullgames.com.
